At roundabout take 2nd exit

Junction with A420 At the roundabout take 3rd exit A420 (signposted Oxford)

Turn right at the sign for Fyfield,

Turn left at the sign for Fyfield

take next right (at small crossroads) after approx 200 yards you will see The White Hart Pub and Post Office. Just before the entrance to the pub car park is a turning on the right (a plaque on the small wall says Oxfordshire Farm Group) immediately on the left is Aegis car parking. We are situated in the brick barn to the right of the car park, Our main entrance is the second door.

We also have a separate workshop where Steve Waters is located, which is the low wooden building running parallel to the road. There is parking behind this building that can be taking the next available right turn off the main road (instead of the first right turn opposite the pub)
